Principal's Message

Welcome back and happy new year to all! I hope you all had a wonderful and restful break. We kicked off our first day in style with an all school PBIS Assembly where we talk about and review our school-wide expectations. This assembly had it all--learning, dancing, smiles, excitement, shaving cream and cheeseballs (ask your student about it and see pictures below). It was a blast!

Our Character trait focus the month is Perseverance. Did you know that Thomas Edison failed 1,000 times before he was successful in creating the lightbulb? Can you imagine what would have happened if he just gave up? The true spirit of perseverance is continuing to try even when the situation or task becomes challenging. Can you imagine if Martin Luther King, Jr. gave up in the midst of every challenge that he faced in trying to make the world better for all people. We must teach our students that if we simply give up the moment something gets tough, we miss out on the opportunity to learn new skills and to develop the mindset that they **can** do hard things. It is important is also important to help them learn that failure is OK. Thomas Edison failed at the light bulb 1,000 times, but he kept going. He kept trying and he learned new skills to help him make improvements and now homes and cities across the world have lit up because of his perseverance.

So, as we walk into this new year at Hutton, let's remember that success is not always immediate. It is a long game that requires perseverance!

PARENT-TEACHER CONFERENCE

Our staff is very excited to meet and engage with each of our families during the January 26-January 27 Elementary Conference Days. The scheduler is open! If you haven't signed up already, there's still time to do so. Please use the link below to get signed up for your child's conference. There will be no school those days for all elementary students .

Conference Sign-Up Link: spokaneschools.org/conference

Using this link, you will have the opportunity to schedule each of your elementary-aged students at one time. When scheduling, the default method for conferences is in-person, but families can make a request for a video conference or phone conference in the drop-down menu options, if necessary. Your teacher will confirm your request by sending a virtual conference meeting link.

Please call our school office at 354-3030 if:

- None of the available dates/times work for you. Your child's teacher can also be contacted to help with this as well.
- You have any difficulty signing up online.

ELD students who need translation services will be noted and the ELD Department will try to provide a translator, but many conferences will be using language line translation services instead.

Parent-Teacher conferences are very important to allow time to talk about your child's progress, strengths, and next steps in learning and are also a good time for you to ask questions and set goals together to benefit your child as they finish up this school year. Please note: We are asking that all families enter through the **main entrance** if attending an in-person conference.

As a reminder, there are no conferences for middle school students (except Montessori) or high school students.

MEALS: Elementary students will be able to come to their schools for FREE on-site breakfast and lunch, which will be served at the following times:

- Breakfast: 8-10 a.m.
- Lunch: 10 a.m.-2 p.m.

Meals are not available for parent/guardians or children not enrolled at SPS.

If you have questions about conferences, please visit spokaneschools.org/letstalk.

VOLUNTEERS NEEDED

We love our Hutton volunteers and WE NEED YOUR HELP! Our students require supervision on the playground at recess and in the cafeteria while they eat lunch and we are short help. We need 4 volunteers to cover these spots every day from 11-1.

This **Sign- Up Genius** is set up for you to sign up to be a volunteer for 1-2 hours on each day of your choice, depending on your availability. You can sign up for just 1 hour per month! The need is great so any time you are available to help is great.

You must be a cleared **SPS Volunteer** to help. Please use the Sign-Up Genius to sign up if you are cleared. If you are not cleared, use the link above to get registered as a volunteer.

Thank you!

The Multipurpose room doors open at 6:15, and Bingo will be played from 6:30-7:30. This is a super fun event and all are welcome.

We really need your help with Books and Bingo--Please bring your gently used books to school this month (boxes in the front lobby) to be used during Books and Bingo. Also, volunteer for the actual event [here](#). We need help with set up, handing out snacks, organizing books, and clean up.

Parking Info

For the safety of our students, please park only in designated areas. These areas help to keep the traffic flow moving along. Also be considerate of our Hutton School neighbors and do not block their driveways. Remember, the cul-de-sac on **24th Ave is a No Parking Zone** and **turn-around only**. Be alert to students and adults crossing the street after school.

As you are waiting to pick up your students, please be mindful of the parking designated for maintenance vehicles and **do not block parking spaces** or **park in no parking zones**.

Morning Drop Off

Parents, please remember that students are not allowed on the playground until 8:15 each day. If they would like to eat breakfast, they may enter through the blacktop doors at 8:00 but they may not be on the playground or field until 8:15. We do not have supervision outside until then.

Thank you for your cooperation!

Hutton Bus Expectations and Consequences

Expectations

Students are expected to demonstrate appropriate behavior while riding the bus (this includes the activity bus) and at bus stops. Bus riders are required to:

- Arrive at their assigned bus stop no more than 5 minutes prior to pick-up time, and be in a single line, ready to load the bus.
- Be respectful of people's property. No running through yards or in the street, climbing trees, littering, yelling or screaming, etc.
- Sit in their assigned seats and remain seated.
- Follow all directions of the driver.
- Show respect for the driver and other riders.
- Not eat or drink on the bus
- Keep all parts of their bodies inside the bus and out of the aisles.
- Speak in a "classroom" voice level, and use appropriate behavior and language.

Drivers will make every effort to work with students to remind them of appropriate conduct, review rules/expectations, create and enforce a seating chart, and change seats prior to issuing a citation.

Students who leave school grounds without permission will not be allowed back on school property to ride the bus.

Consequences

There will be five progressive steps for citations written by drivers, bus-loading supervisors, School District Resource Officers or Transportation staff:

1. Warning with no bus suspension, parent contact from school, letter sent home with copy of citation and rules
2. Loss of riding privileges for 1 school day; meeting with student, parents, transportation
3. Loss of riding privileges for 3-5 school days
4. Loss of privileges for up to 20 school days
5. Loss of privileges for the remainder of the school year.

Any behavior that is determined to be exceptionally dangerous, defiant, or disrespectful may result in immediate loss of riding privileges for a time to be determined by the Transportation department. Students can receive citations and/or be suspended from the bus for behaviors at the bus stop or while waiting at school for the bus.

When suspended from riding the bus, students are suspended from all school buses, including activity buses. Parents have the right to appeal any loss of privileges to the Transportation Department.

The final decision regarding bus privileges resides with the director of Transportation. Principals or designee must have approval for alternative bus discipline from the director of Transportation.
