Hutton Bus Expectations and Consequences

Expectations

Students are expected to demonstrate appropriate behavior while riding the bus (this includes the activity bus) and at bus stops. Bus riders are required to:

- Arrive at their assigned bus stop no more than 5 minutes prior to pick-up time, and be in a single line, ready to load the bus.
- Be respectful of people's property. No running through yards or in the street, climbing trees, littering, yelling or screaming, etc.
- Sit in their assigned seats and remain seated.
- Follow all directions of the driver.
- Show respect for the driver and other riders.
- Not eat or drink on the bus
- Keep all parts of their bodies inside the bus and out of the aisles.
- Speak in a "classroom" voice level, and use appropriate behavior and language.

Drivers will make every effort to work with students to remind them of appropriate conduct, review rules/expectations, create and enforce a seating chart, and change seats prior to issuing a citation.

Students who leave school grounds without permission will not be allowed back on school property to ride the bus.

Consequences

There will be five progressive steps for citations written by drivers, bus-loading supervisors, School District Resource Officers or Transportation staff:

1. Warning with no bus suspension, parent contact from school, letter sent home with copy of citation and rules
2. Loss of riding privileges for 1 school day; meeting with student, parents, transportation
3. Loss of riding privileges for 3-5 school days
4. Loss of privileges for up to 20 school days
5. Loss of privileges for the remainder of the school year.

Any behavior that is determined to be exceptionally dangerous, defiant, or disrespectful may result in immediate loss of riding privileges for a time to be determined by the Transportation department. Students can receive citations and/or be suspended from the bus for behaviors at the bus stop or while waiting at school for the bus.

When suspended from riding the bus, students are suspended from all school buses, including activity buses. Parents have the right to appeal any loss of privileges to the Transportation Department.

The final decision regarding bus privileges resides with the director of Transportation. Principals or designee must have approval for alternative bus discipline from the director of Transportation.
