## Principal's Corner

Hello Madison Families,

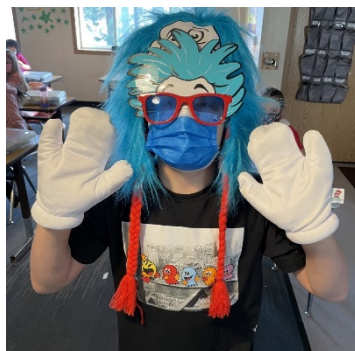

Happy Spring! It has been quite a year, but seeds have been planted and will need to be watered and nurtured, just like our students! Please continue to make sure your child is ready for learning each day by making sure they come to school with their mask (an extra one is helpful) and having completed their health check in addition to being to school on time. This helps your child be ready to learn and to have a successful day. THANK you for working alongside us to keep our kids healthy and in school.

Next week is conference week. Please know that your child's teacher has been diligently working to help ensure they are learning and prepared for the next grade level. If you have not scheduled a conference, please do so as soon as possible. This conference is about celebrating your child's progress and next steps moving forward in their learning journey. We are a team and we appreciate that you work with us to make your child be the best they can be!

I look forward to hearing about your child's success next week. Thank you for your partnership. Don't forget that all students are dismissed next week at 1:00. Happy Spring Break for the week of April 5-9.

Sincerely,

Heather Holter, Madison Principal
