Principal's Corner

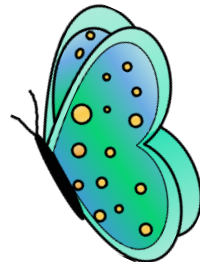

Hello Madison Families,

As we start nearing the end of the school year, please make sure health checks are happening each day. We want students to be healthy so that they can be in school learning. It has been quite a year and we are trying to make every moment of learning happen for every student. Please make sure your child is reading over the summer. This will help them be prepared for the start of the school year. This past year, due to the pandemic, students did not take the SBA (Smarter Balanced Assessment). This fall, students **will** be taking the SBA.

Thank you for continuing to support the teachers and staff at Madison by sending you child to school with a mask each day as well as wearing your mask when you are on school grounds. WE ARE IN THIS TOGETHER.

Sincerely,

Heather Holter, Madison Principal

Please join me in thanking our Technology Integration Specialist, Telia Sherwood-Jacobs, for being one of our district's superheroes as we navigated an unprecedented year. We know she and Mr. Lundberg went out of their way to support staff, students, and families with technology to keep learning happening no matter the hurdles.

2021-22 School Year

Please notify the school office if your student will NOT be returning to Madison next school year. 509-354-3600
