# Western

1. What are the elements in this book that place it in the Western genre?
2. Write a plot summary of this book. How does the character develop through the plot?
3. What is an inner conflict and what is an outer conflict that the main character experiences, and how do these conflicts affect each other?
4. How are the characters' daily lives and the characters' society different from ours? How are they similar?
5. In what two ways are you and the main character alike? In what three ways are you different?
6. Did you like this book? Why or why not? Cite text evidence that helps you decide.
