

Welcome to Lewis and Clark High School Band 2019-2020

Your student has registered for band as an elective this school year. In doing so, there are a number of expenses and commitments that come along with this choice. The Lewis and Clark Instrumental Music Parent Association (LCIMPA) partners with band, choir and orchestra families to help bridge the gap of expenses through fundraising opportunities. In return we ask for volunteers from all of our families. This partnership allows the band program to thrive and provide amazing experiences for your student.

This letter will help you plan and prepare for the estimated expenses for the 2019-2020 school year as well as bring awareness to volunteer opportunities. These **first two pages** are informational for your use. The **third and fourth pages** have information for you to fill out and send back with your student to Mr. Nord. Thank you!

General Budget for Program Paid to LCIMPA:

To supplement the basic costs of the music program (supplemental to District money) we request all students pledge \$75.00. This money can be directly donated to the LCIMPA group or raised with fundraising through the pre-sale of a minimum of 15 car wash tickets (Details provided the first week of school, Car Wash scheduled for Sept 21). These monies are used to cover basic program expenses not able to be covered by the school district's annual budget.

- \$75 Program fee to be paid by cash or check **directly to LCIMPA** (Attach check to this form) –or-
- \$0.00 My student will commit to selling a minimum of 15 pre-sale car wash tickets to cover this expense.

[Optional] Monetary Donation to the Program

LCIMPA holds a 501c3 tax exempt status. Although we have some support from our school district, we must supplement the program in order to provide great experiences for our students. Also, we are fortunate that our band draws from a diverse socioeconomic community, which enriches the program yet can also create challenges. If you, or your employer, would like to sponsor a student to go on the Vancouver, BC trip, purchase an instrument for classroom use, cover the cost of music for a performance or make a general donation, please contact Mr. Nord with your intention. We thank you for your consideration.

- Please have Mr. Nord contact me directly about making a donation to the LC Band Program.
