

## **Westview is proud to be a Title 1 School!**

Many of you have probably heard Westview referred to as a Title 1 School. This term can often be confusing. Title 1 funding “is to ensure that all children have a fair, equal, and significant opportunity to obtain a high-quality education and reach, at minimum, proficiency on challenging state academic achievement standards and state academic assessments.” Westview uses our Title 1 money to help improve student learning for all of our students. We purchase additional materials, pay for intervention teachers, and provide professional development opportunities to our staff to better serve our students, and to actively involve the parents and community. With these pieces in place, we know that the work our Westview staff is doing will help all of our students learn and grow. We are very thankful for these additional resources to help us provide the best possible learning environments and opportunities for your children!

On our website [www.spokaneschools.org/westview](http://www.spokaneschools.org/westview) under “Our School” found in the “About” tab, you can find important information about our Title 1 plans and program. Part of our process in this partnership is for parents or guardians to have the opportunity to review our Needs Assessment, School Improvement Plan, Parent and Family Engagement Plan, Compact, and provide feedback to Westview. All of these documents have been provided on our website. We invite you to look these over at your earliest convenience. We value your thoughts and ideas! We are in this together.

### **Citizen Complaint Process**

If parents/guardians and other citizens believe that schools have violated any federal rule, law or state regulation that applies to a federal program, a Citizen Complaint may be filed. At Westview we have copies of the Citizen Complaint Process and the form can also be found by visiting [www.spokaneschools.org/westview](http://www.spokaneschools.org/westview). The form is under “Our School” found in the “About” tab.
