

Principal's Corner

Dear Lincoln Heights Families,

Welcome back! We hope each of you had a fun and restful Spring Break. It has been wonderful to see smiling students and adults back in the building ready for the final sprint to the end of the school year. Only two months until Summer!

Each Spring in the state of Washington, all students in grades 3-5 take the Smarter Balanced Assessments in Math and English Language Arts. Students in grade 5 will also take the Washington Comprehensive Assessment of Science (WCAS). Families can visit [Smarter Balanced and WCAS](#) for more information about these tests.

Lincoln Heights students will test from May 13th - 24th.

See testing dates below:

3rd Grade- Monday, May 13th - Friday, May 17th

4th Grade- Monday, May 13th - Friday, May 17th

5th Grade- Thursday, May 9th (Science), Monday, May 20th-Friday, May 24th

While it is still a month away, we want to share dates so families can plan ahead and avoid scheduling appointments on your child's testing days as missed/incomplete testing sessions will be made-up at a later date. Getting enough sleep, eating healthy meals and drinking plenty of water is crucial during this time to make sure students' minds and bodies are ready to go!

We appreciate your continued partnership as we grow our Jaguars socially, emotionally, and academically.

Sincerely,

Meghan Anderson and Alyson Chamberlin
