

YEARBOOK

STUDENT VOICE

In the yearbook class, students have the freedom to express their creativity and individuality, with ample voice and choice in selecting themes, designing layouts, capturing moments through photography, and shaping the overall narrative, fostering a collaborative environment where their unique perspectives contribute to the yearbook.

HS CONNECT

The ability to communicate effectively, work collaboratively, and express creativity developed in this class lays the groundwork for success in various high school subjects and activities, setting students on a path to excel academically and socially as they navigate the challenges and opportunities of their high school years.

PARTICIPATION EXPECTATIONS

- **Regular Attendance:** Attend every class consistently to actively participate in yearbook creation
- **Meeting Deadlines:** Manage time effectively to submit tasks and contributions promptly, ensuring the project stays on schedule.
- **Active Collaboration:** Engage in group discussions, contribute ideas, and collaborate with peers to create a well-rounded representation of the school community.
- **After-School Photography Sessions:** Participate in after-school photography sessions to capture events and candid moments, enhancing the overall richness of the yearbook.

COURSE DESCRIPTION

Dive into the world of journalism, photography, and graphic design as you collaborate with fellow students to create a captivating yearbook that preserves the memories of the school year. From mastering photography techniques to developing layout design and journalistic writing skills, this course provides hands on experience in every aspect of yearbook production.

WHY CHOOSE YEARBOOK?

Choosing yearbook provides students an opportunity to contribute to the creation of a lasting and cherished record that captures the essence of their school community.

Learn How To...

- Master photography techniques
- Develop graphic design skills
- Hone copywriting and journalistic writing skills
- Gain valuable project management experience
