

2019 Community Survey

Shadle Prevention & Wellness Coalition

*Part of Washington State's
Community Prevention & Wellness Initiative (CPWI)*

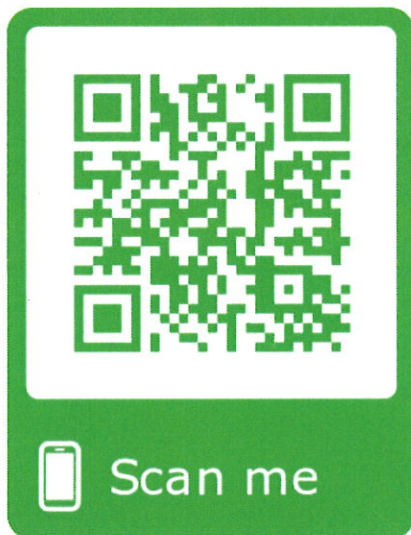

**Help us help the local community
in less than 15 minutes!**

We need adults from the community including **Shadle & North Indian Trail** to take a survey.

- The survey asks about your views on **youth substance use** in the community.
- This survey is **anonymous**. We will not know who you are or which responses are yours.
- This survey is voluntary, so you can skip any question or stop at any time.
- Your feedback will help us better serve youth in our community.

Access the survey online:
